- **bring your child's own cup**

Cleanliness

Additional cleaning is in place

- **particularly high touch points and all equipment**
- **the ball pool and soft toys are not currently in use**

Social distancing

We will be running sessions at 50% capacity to allow for social distancing

- **we do not expect toddlers to be able to comply with social distancing rules**
- **if an area is busy encourage your child to play elsewhere**

Face masks

Currently, visitors to a soft play venue must wear a face covering

- **you must wear a mask at the reception desk play area and the kitchen hatch**
- **you do not need to wear a mask at your table, with your drink and biscuit**
